

On December 8, 2011, the Town of Luseland hosted a community meeting to bring to the community's attention the need for trained ambulance personnel. The Town would like to thank the public for attending and also thank the ambulance personnel and district staff for attending. There was a lot of good communication and it was brought to our attention that training sessions will be held early in the new year. It is critical to the continuance of this service in our community for people to step up, take the training and commit the time necessary to maintain this vital service. If you can do this, please contact Emily Eurich at 372-4380 (office) or 372-4607 (home). Anyone trying to catch the January training should have their application in by December 29th.

Also, at the conclusion of the meeting it was suggested that a committee be struck to look at helping the ambulance service. In this regard, if you are prepared to help out with this, please advise the Town Office. We plan to have a meeting of the interested people at the Town Office on January 11, 2012, at 7:30 p.m.

Thanks again to those who came out to the meeting.
