

February

LUSELAND LIBRARY

2024

Welcome to the Luseland Library Newsletter! Here's what we have going on in February:

Hours	Tuesday	Thursday	Saturday
	10am-1pm	10am-1pm	10am-12pm
	2pm-6pm	2pm-6pm	1pm-4pm

Meet our new Assistant Librarian!

Fantastic news! Our previous Assistant Librarian, Cait, has moved into the position of Assistant Administrator at the Town Office. With that change, the Luseland Library is pleased and excited to welcome our newest Assistant Librarian, Rita Davis! Rita and her family moved to Saskatchewan from BC last year and recently landed in Luseland. With her passion for community and endless creativity, Rita is a great addition to our Library family. Make sure you stop in and say hi!

Programs

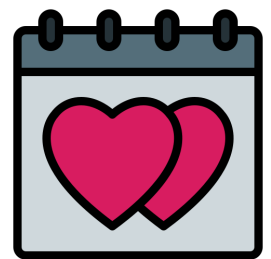

Sip & Stitch

Every Tuesday from 4-6, come over to the Library to work on knitting, crocheting, cross stitching, or whatever kind of project you're working on. Enjoy some tea or coffee from our cafe bar and make some art!

Valentine's Day Storytime & Craft

Saturday, February 10 @ 2pm, join us while we read my favourite Valentine's Day book and make a heart-shaped craft.

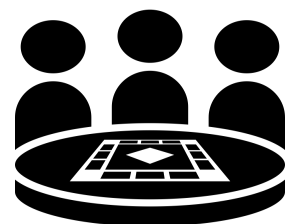

Saturday Matinee

Saturday, February 17 @ 1:30pm, we will be screening *Death on the Nile*, a modern adaptation of the classic mystery by Agatha Christie, starring Kenneth Branagh and Gal Gadot. Snacks and drinks provided. As always, there is no cost for admission. Rated PG-13 for violence, some bloody images, and sexual material.

Winter Break Game Day

Thursday, February 22 @ 3-6pm, come on down to the library to play one of our board games, card games, or work on a puzzle. Bring a friend, or make one while you're here!

Family Science Party

Tuesday, March 12 @ 2pm, Wheatland Regional Library's Program Manager will visit us and bring along three fun science experiments for our families, including making your own slime! Ages 5+. Please email or message the library to pre-register.

Take & Make Kits

February's Take & Make Kit is ORIGAMI! Stop by and pick up a kit, complete with instructions and origami paper. The possibilities are endless!

Neighborhood Forest Program

This year, Wheatland Regional Libraries is partnering with Neighborhood Forest to distribute free saplings for Earth Day. Sign up to receive your free tree before March 15th. Trees will be available for pick up during Earth Week (April 22-30).

That's all for this month! We'll see you at the Library!

All the best,
Kate & Rita
