

Town of Luseland

Newsletter

June 2020

Let me tell you, it is hard to write a newsletter in an ongoing pandemic. I'm not sure what to write about, information seems to change daily! By the time this newsletter comes out the information I wrote about is probably outdated.

LUSELAND CREDIT UNION COMMUNITY SWIMMING POOL

I'm sure you have all heard by now the wonderful news of the pool opening. We ask that you bear with us and be patient this season, it is only our second year operating the new pool and on top of that we have new social distancing and other regulations to follow, so things might be confusing and hectic this year.

To keep updated on the swimming pool including lesson registration this year go to the Luseland Swimming Pool Facebook page. Registration for people on the Luseland School District area begins by phone June 29, and registration is open to all on June 30. Registration is on a first come first served basis.

CLASS OF 2020

We would like to take this opportunity to congratulate all of the 2020 grads and we wish you all the best in your future endeavours!

BUILDING PERMITS

With the weather being so nice everyone is eager to get started on the construction plans we all designed while being trapped inside our houses, but remember BEFORE you even start building a building permit needs to be approved at the monthly council meeting and depending on the project a building inspector will need to review the project as well. Building permit applications can be found on the town website with a list of permit fees; when you hand in the permit make sure to include a drawing of your project with the proper dimensions and location on your property.

RAK LUSELAND

A special thank you to the group who formed Random Acts of Kindness Luseland! Your random acts of kindness brought happiness and smiles in a time that needed it more so than ever. Keep up the good work!

INFORMATION

The town office always appreciates when residents of our community give us information about a potential problem or simply what is going on in our community as

we aren't always aware of everything happening in our town. All we ask is that when you come forward with information please give us the full details of the situation as it helps us move forward in solving the problem efficiently.

BIKES ON THE SIDEWALK

It is so lovely to see all these people riding their bikes around town, however we would like to remind everyone bikes are not to be ridden on the sidewalk, according to Bylaw No. 2010-05(5.18). I know it feels safer to ride on the sidewalk as you are away from the vehicles but sharing that sidewalk with you are customers coming in and out of stores and other pedestrians who are not aware someone could be riding past them and an accident will occur at some point.

CEMETERY

It is with disappointment that I must remind residents and their children to not dirt bike in the cemetery. It is incredibly disrespectful to the families and friends who have loved ones laid to rest there and it is in fact private property. Instead of dirt biking at the cemetery, I recommend finding someone who doesn't mind you dirt biking on their property and arranging an agreement with them.

MEALS ON WHEELS

The Luseland area is in need of drivers for Meals on Wheels! Volunteers must be between the ages of 16-64. If you are interested contact your local coordinator at allison.klein2@saskhealthauthority.ca or by phone at 306-463-1000 ext. 2504.

PLASTIC AT LANDFILL

Public Works has been working hard to get the bags under control but with the wind being 40 km and higher for the past few weeks it has made the process a challenge. Rest assured, Public Works has this as a top priority and work on it whenever they have a chance. Extra help has been hired specifically for this problem. Please help us in this matter, by recycling your film plastic – bread bags, grocery bags, toilet paper wrapping, etc. at the recycle shed by the shop on Russell Street.

FOR SALE BY TENDER

The Town of Luseland offers approximately 350 sq. ft. of sidewalk/patio paves like the sidewalk on Grand Avenue at the pool/Legion Park. Most pieces are 2' x 2'. For further information, contact the Town Office. Tenders to be submitted prior to 4:00 p.m. on Monday, July 13, 2020. Highest or any tender not necessarily accepted.

OFFICE UPDATE

The office is open to the public with a limit of 2 patrons at a time! Residents will be able to pay for their utility bill and property taxes at the office, we accept cash, cheque, debit, or interact e-transfer. Our hours have not changed.

HAVE A GREAT SUMMER!
